

INVYT+ documents instructions

To apply for the INVYT+, the applicants are asked to scan and upload all the required documents:

References:

- **Two** letters of reference are required:
 - A reference letter from the pastor or representative of the church community.
 - A reference letter from the representative of the non-formal or formal educational institution (e.g. your teacher).

Notes:

- The References must be signed by the responsible authority.
- If the letter of reference cannot be written in English, the English translation of the document must be provided.
- The reference letter must be written in font Arial, size 12, single spacing.
- The length can be up to one page.

References should answer these questions:

- What is your relationship with the applicant and how long have you known each other?
- What are in your opinion the main reasons she/he is applying to participate in the INVYT+ programme?
- What are the strengths and weaknesses of the applicant?
- Which skills/experience/ knowledge does the applicant have that can be beneficial for the project?
- What possible difficulties can you imagine she/he might have?

Motivation letter:

Motivation letter should answer these questions:

- Why are you interested in doing long term voluntary service in our project and with us?
- Which of your skills and experiences will be beneficial for the project?
- Which personal and learning goals do you want to achieve during the service?

Notes:

- The motivation letter needs to be signed.
- The motivation letter needs to be written in English.
- The motivation letter must be written in font Arial, size 12, single spacing.
- The length can be up to one page.

Health certificate:

- A verified Health Declaration must be included with the application. The verification must be recent - within one month before submitting the application.
- The text of the health declaration must be in both the Czech/Slovak and English language and should be written as follows:

“(Jméno) je fyzicky a mentálně zdravý/á, netrpí žádnou infekční nemocí a je fyzicky odolný/á. Z lékařského pohledu zde není žádný důvod, který by znemožňoval dlouhodobý pobyt v Tanzanii.”

„(Name) is physically and mentally healthy, does not suffer from any contagious diseases and is physically resilient. From a medical point of view there is no objection to a long-term stay in Tanzania. “
